Principal's Report

How much have we already packed into three weeks? We don't pause for breath here at Jamieson Primary and the kids have tackled every event, challenge and project with typical enthusiasm, creativity and consideration.

Our Social Enterprise businesses raised hundreds of dollars for their selected charities at the Beechworth Market Day in Week One.

The Grade 3-6s and Mr Wilson undertook a full program for camp in Week Two, while the Grade P-2s worked hard at school on robotics, maths and wellbeing—with a sneaky trip to the Café for lunch and chess one day!

We welcome Ms Hodge, who has slipped easily into her role as wellbeing teacher for Term 4, bringing years of experience as well as a positive and calm attitude.

This term we will have two more camps, horse riding, swimming, projects... Not to mention the amazing trivia night that the School Council has organised under the leadership of Kate! We have transition days for Kindy kids and Grade 6s, a concert and an end-of-year party...

So take a deep breath and get ready for a huge last term of 2022!

Well done to Ivy for finding my spelling mistake. Who else can find it?
