

Jamieson Primary School Newsletter #12
6th August 2025

Skiing - Friday 8th August

We are excited to announce that Mt. Buller Ski School has opened an additional lesson for Jamieson and Merrijig on August 8th, which was previously fully booked.

To ensure the continued success of our skiing program, we have decided to take advantage of this opportunity.

Students to meet at Merrijig at 8.00 am as per usual, to be on the Mount for the lesson starting at 10.00 am. The students are funded for five trips; the final ski date on September 12th will be optional and will require payment from parents. Families may use SSB or CSEF funds from their accounts for this date. For further information, please contact the school.

Mobile Phones at School: Important Guidelines

We would like to remind parents and students about our policy regarding mobile phones at school. If a student brings a mobile phone to school, it must either be kept in their bag or handed over to staff for safekeeping.

If a student needs to contact a parent during the school day, they should speak to a staff member for assistance. Likewise, parents are encouraged to reach out to the school directly if they need to communicate with their child. Thank you for your cooperation.

Athletics Training Day – Friday 5th September

We are excited to inform you that on Friday, 5th September, all students will participate in an Athletics Training Day to prepare for the upcoming School Athletics.

The training will take place at the recreation reserve, where we will set up various activities, including hurdles, high jump, and discus. Miss Harris, along with Kodie Thorn, who is currently completing a placement with our school, will guide the children through these activities.

Students will enjoy their lunch at the reserve, and we encourage parents to come and watch as their children participate in the training and enjoy lunch together. We look forward to a fun and energetic day!

Soup Day – Wednesday 13th August

Mansfield District Hospital's community-led health promotion service, along with Chop & Chat, Yooralla, and Mansfield Shire Council, is once again offering the Soup for Schools program at Jamieson PS.

This initiative aims to educate children about the importance of incorporating vegetables into their diet. The soup provided will be gluten-free and vegetarian. The soup is provided at no cost to the school.

School Uniforms.

The Jamieson Primary School's Council endeavours to ensure that at JPS, we maintain a high uniform standard while at the same time ensuring that our uniform is both affordable and a discernible reflection of our school community's high standards.

Sonja has worked hard to give students a stake in determining uniform items, particularly at the senior level and there have been a number of significant additions which reflect well on the school.

Please support our endeavours to ensure our children are uniform compliant. If you have any suggestions or comments you would like to make regarding our Uniform Policy, please refer to the policy on the website or request a hard copy from admin. We welcome constructive input.

Farewell to Pauline

At the beginning of term 3, Pauline made the difficult decision to resign from her position at Jamieson Primary School. After four amazing years with us, working under three different principals, Pauline has been a vital part of our school's family. Her dedication to making our school a wonderful place for both staff and students will leave a lasting impact. We will miss her cheerful spirit and unwavering support, but we wish her all the best in her future adventures

Kodie Thorn – Bachelor of Education

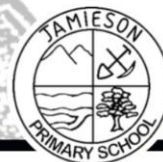

On the 18th August through to the 12th September, Kodie Thorn will be joining Jamieson Primary School as she completes her final placement in the Bachelor of Education (Early Childhood and Primary) program. Kodie will be working in the senior room. For more information about Kodie, please see the attached document.
